CHARTERED ACCOUNTANTS

About us

The Fisher Organisation is an independently-owned group of specialist businesses with 28 partners and some 270 staff. We officially opened our Watford office on 16 December 2008.

At the centre of The Fisher Organisation is HW Fisher & Company, a medium-sized Chartered Accountancy firm founded 75 years ago that today ranks within the top 25 in the UK. The firm acts for a broad range of clients of all types and sizes, providing a breadth and quality of services rarely found outside the ranks of the international giants of the accountancy profession. The Organisation is well-known for delivering premium advisory services, quickly and cost effectively.

We add value to our clients by offering a full range of accountancy and related business services. Our services are tailored individually for all clients and all our work is partner-led. Therein lies one of the secrets of our success – big enough to provide a wide range of integrated services, but small enough to care about our clients' success.

Services include Audit, Company Secretarial, Taxation, Trust, and VAT Services, as well as other services such as book-keeping, management accounts, payroll, strategic planning and advice for business start-ups.

The Organisation also services focused industry groups, such as Property; Restaurants; Professional Firms; Overseas Landlords; Pensions; Licensing; Authors and Journalists; Trade Unions; Retail; Media, Music, Sport and Entertainment; Medical; Aviation; Housing Associations; Fine Art, and Charities.
